

REMARKS

The Office Action indicates that the application is in condition for allowance except for certain formal matters. In particular, the structures identified in the drawings filed on 8/11/04 should be identified by numeral instead of words. By this Response, the specification is amended and two corrected sheets for Figs. 4 and 5 are submitted. The first sheets are replacement sheets and the second sheets are annotated sheets illustrating the change in red line. No new matter is introduced. Thus, it is respectfully submitted that this application is now in condition for allowance.

Respectfully submitted,
